## NAPA VALLEY SYRAH

Rolando began producing Syrah for his own personal enjoyment and has proven that it can flourish in the Napa Valley. He creates his Syrah as a marriage of the beloved Rhone style with a touch of Napa personality.

### STARTING IN THE VINEYARD

A perfect vintage despite the continued drought conditions. Slightly cooler and drier than in recent vintages, veraison, and subsequently harvest, came early but with plenty of hang-time to develop their flavors. The result was beautifully concentrated fruit of outstanding quality.

### TO THE CELLAR

Our Syrah has deep and dark flavors that are accentuated by the vanilla and spice attributes influenced by 55% new French oak. With 20 months of barrel aging, the tannins have softened to create a luscious, round body.

### IN YOUR GLASS

A deep inky color, this wine exudes aromas of dark fruit, espresso, cassis, vanilla, and a touch of saddle leather. A rich entry with flavors of dark chocolate, tobacco, and juicy dark cherry, it has a balanced acidity that finishes with hints of baking spice, anise and cigar box, leaving a supple, long-lasting impression on the finish.

### ON YOUR TABLE

This wine pairs well with rich, hearty, meats such as lamb, barbecue, game and sausages. For a cheese course, try Abbaye de Belloc, a sheeps milk cheese with a mild, nutty flavor.
