MT. VEEDER CABERNET SAUVIGNON

This wine is the result of a dream realized. I am proud to share with you a selection from Lynn's Vineyard, which is situated amidst the rustic beauty and diverse microclimates atop Mt. Veeder. I invite you to enjoy this unique wine which reflects the distinct terroir from this well-regarded AVA.

STARTING IN THE VINEYARD

2017 brought recovery from years of drought as the season began with welcome rainfall that refilled reservoirs and rejuvenated soils. A mild spring was followed by a heat wave in late August and early September, which marked the start of harvest right on schedule.

TO THE CELLAR

This extremely age-worthy wine was fermented in stainless steel tanks for 27 days following 5 to 8 days of cold soak to intensify the mountain fruit characteristics. Aged in 70% new French oak for 20 months, raked barrel-to-barrel, and bottled unfiltered. Although enjoyable upon release, this wine will easily cellar 15 to 20 years.

IN YOUR GLASS

Luscious dark mountain fruit aromas of plum and juicy cherry excite the nose, followed by ripe flavors laced with cassis, warm black plums and fresh figs, with a dusty dark chocolate undercurrent. Powerful, masculine tannins show a powerful yet refined structure that delivers a round mouthfeel and supple texture.

ON YOUR TABLE

Complex and layered, this wine would do well with dishes such as braised lamb with fennel, or grilled Kansas City strip steak paired with Parmesan creamed spinach. For a cheese course, try an aged Irish Cheddar or Pecorino Romano, an Italian sheep's milk cheese.
