VALERIA PETIT VERDOT

FIERCE • INQUISITIVE • DETERMINED

STARTING IN THE VINEYARD

The 2020 growing season started out with copious rainfall. The long, warm summer saw few extreme heat waves, and the foggy mornings set the stage for vibrant and expressive wines.

TO THE CELLAR

For Petit Verdot to reach its full potential, it requires additional shade and an extended hanging period. A gradual maturation process promotes exceptional mouthfeel and structure, which is highly desirable. In Napa Valley, this small block is renowned for producing some of the most outstanding Petit Verdot. The grapes are meticulously hand-sorted, with only the finest barrels chosen for further aging after air-drying for an additional year.

IN YOUR GLASS

True to its bright and lively Bordeaux red color, Valeria Petit Verdot offers a plethora of sweet fruit aromas – raspberry, cranberry, boysenberry, and notes of cherry pie with a hint of vanilla. Known for its chewy tannins and bright acidity that offers fresh and complex fruit flavors. On the pallet our Petit Verdot shows a harmonious balance of ripe cherry, blackberry and dried fruits with coffee, dark chocolate and cinnamon gently complementing for a lengthy gratifying finish.

ON YOUR TABLE

Valeria Petit Verdot is complex and playful offering so many colorful aromas. This wine would pleasantly enchant when paired with a dark chocolate raspberry torte. For a savory experience we recommend you try it with a Korean BBQ fare.
