## LORENA RED WINE

STRENGTH • ELEGANCE • BEAUTY

*Named in honor of the Herrera's matriarch, this wine is true reflection of her strength, elegance, and beauty--a mesmerizing wine that has incredible balance and concentration that will exhilarate you.*

### STARTING IN THE VINEYARD

The 2020 season will be remembered for factors beyond the normal measurements. Here in the valley, it was a warm, dry winter and we didn't start to see rain and cold weather until the end of March. While the mild spring season gave us a great early start, the wineries of Napa Valley worked under extensive safety protocols due to the COVID pandemic. Summer brought very cool mornings and very warm days. While the 2020 Napa Valley harvest proved to be one of the most challenging in history, our winemaker remains not only optimistic but committed to bottling wines of the highest quality. The story of this vintage will continue to unfold over the years to come.

### TO THE CELLAR

A proprietary blend of Cabernet Sauvignon, Malbec, and Petit Verdot from our Estate Vineyards in Mt. Veeder, Coombsville, and Oak Knoll. Aged patiently for 24 months in 100% New French oak for true harmony in a bottle.

### IN YOUR GLASS

This wine's incredible pitch-black, inky color hypnotizes you, while your nose is being flooded with graphite, molasses, forest wood, wet dirt, blackberry and pinecones. The gorgeous mouthfeel leads to rich and bright dark cherry, vanilla, mocha, crème de cassis, dark chocolate. The incredible power, finesse, and vibrancy make you yearn for more. While absurdly amazing right now, this can age for decades.

### ON YOUR TABLE

While Lorena may be incredibly good to drink on its own, you can take it to the next level and try a classic: Filet Mignon with Yukon Gold Mashed Potatoes, creamy Artichoke dip.
