NAPA VALLEY CABERNET SAUVIGNON

Cabernet Sauvignon is renowned for its bold flavors, full-bodied structure, and remarkable complexity. Our Napa Valley Cabernet perfectly demonstrates Rolando's mastery of producing vibrant Cabernet Sauvignon, both elegant and powerful, lush and balanced, approachable yet age worthy.

STARTING IN THE VINEYARD

The 2021 vintage in Napa Valley was marked by a significant lack of rain, leading to the second consecutive year of drought. However, the long, warm summer brought consistent temperatures, and the deep foggy mornings created ideal conditions for vibrant, expressive wines. With a more natural load on the vines, there was less need for pruning and fruit thinning. As a result, the grapes were packed with flavor, featuring smaller yields and berries, creating wines with exceptional concentration and tremendous aging potential.

TO THE CELLAR

Aged for 21 months in 65% new French oak, the wine was granted an additional year of rest in the bottle, allowing its complexity to deepen and its flavors to evolve. The result is a wine that whispers of time's delicate touch, inviting you to savor its layers of rich, velvety texture. Whether you choose to indulge now or cellar it for future enjoyment, this wine promises to unfold its beauty for years to come.

IN YOUR GLASS

Displaying a deep ruby color, otherwise known as 'Mi Sueno red', the wine opens with aromas of black cherry, vanilla bean, pinecone, ripe plum, cassis, molasses and roasted almonds. On the palate, the complexity of flavors reveals dry and chewy tannins balanced with notes of textured minerality, bold forest fruit, dark chocolate, river rock, and sweet oak that linger endlessly.

ON YOUR TABLE

This complex and versatile wine offers endless possibilities. Try it with pan seared lamb chops, generously seasoned with black pepper and fresh herbs. Or enjoy with Korean short ribs with sticky chow mein noodles.
