STARTING IN THE

VINEYARD

The 2022 vintage brought a unique set of challenges, shaped by a cool, moderate summer followed by an intense Labor Day heatwave that accelerated ripening and compressed the harvest. At our Mt. Veeder estate, exceptional vineyard management and careful timing were essential to navigating these contrasting conditions. Despite the challenges of this "tale of two harvests," the vintage produced wines of remarkable purity and balance. The finest examples showcase vibrant acidity, refined structure, and the distinctive character of our mountain terroir, reflecting our continued pursuit of excellence in every vintage.

TO THE

CELLAR

This 100% hillside Cabernet Sauvignon comes from the steepest elevation of our Mt Veeder vineyard. Made from the low-yielding C clone, it delivers exceptional intensity, concentration, and depth. The wine was aged for 28 months in new French oak crafted from wood air-dried for three years.

IN YOUR

GLASS

This Cabernet Sauvignon welcomes you with enticing aromas of leather and cocoa, followed by layers of blueberry, ripe plum, and wet stone. On the palate, intensely concentrated dark fruit bursts with rich cassis, vanilla, and distinctive rocky graphite. Bold, powerful tannins provide structure and depth, while each swirl reveals new layers of complexity. A wine made to be savored, it continues to evolve in the glass, offering an unforgettable experience as you enjoy a wonderful meal and lively conversation.

ON YOUR

TABLE

Marinate thinly sliced carde asada in lime juice, garlic, olive oil, cumin, chili powder, and fresh cilantro, then grill until juicy and charred, serve on warm corn tortillas topped with diced onions, fresh cilantro, salsa, and a squeeze of lime.
