UNICO VINO BLANCO - WHITE WINE BLEND

Vintage 2023

Varietal Blend of 6 Varieties

Appellation Sonoma Valley

Vineyard Casa Adobe

Oak 40% Neutral Oak

30% Concrete Egg

30% Stainless Steel Tank

Aging 5.5 Months

Alcohol 14.5%

We are proud to release our unique White Wine Blend from our Casa Adobe Vineyard. This new blend combines six varietals – Sauvignon Blanc, Semillon, Viognier, Albariño, Riesling and Chardonnay in a harmonious, luscious, mouthwatering taste that is like biting into six different pieces of fruit at one time pleasing all the senses. Another winemaker's dream come true!

STARTING IN THE VINEYARD

The 2023 Grape harvest in Sonoma County was characterized by cooler temperatures, abundant rainfall, and a delayed start. The combination of excessive rains over the winter months, late budbreak and slow ripening outlined white varietals high in acid and flavors reflecting perfect maturity, flavor, and complexity at picking.

TO THE CELLAR

Each varietal was processed individually to express the true essence and purity that represents the Terroir. The wine was aged almost equally in a combination of neutral French oak, stainless steel and concrete tanks.

IN YOUR GLASS

The wine presents a noble golden color with an aroma that swiftly escapes the glass revealing enticing notes of fresh guava, pear, quince and wildflowers. The flavors expand even further revealing lemon grass, orange peel, and tangerine complemented with toffee and vanilla notes. On the palate, this blend continues to impress with luscious and crisp minerality and mouthwatering flavors. Lemon curd, candied citrus, and apricot appear, as the taste evolves into a multilayered, long finish.

ON YOUR TABLE

Try the Unico Vino Blanco with Oysters Rockefeller, an assorted sashimi platter, a peach and burrata salad, or even an arugula salad.
