## 2023 UNICO VINO BLANCO

We are honored to release our new and different White Wine Blend from our Casa Adobe Vineyard. This new white wine combines several varietals – Sauvignon Blanc, Semillon, Viognier, Albariño, Riesling and Chardonnay- in a harmonious, luscious, mouthwatering taste that is like biting into six different pieces of fruit at one time that pleases all the senses. Another winemaker’s dream coming true!

### STARTING IN THE VINEYARD

The 2023 Grape harvest in Sonoma County was characterized by cooler temperatures, abundant rainfall and delayed start. The combination of excessive rains over the winter months, late budbreak and slow ripening outlined white varietals high in acid and flavors reflecting perfect maturity flavor complexity at picking.

### TO THE CELLAR

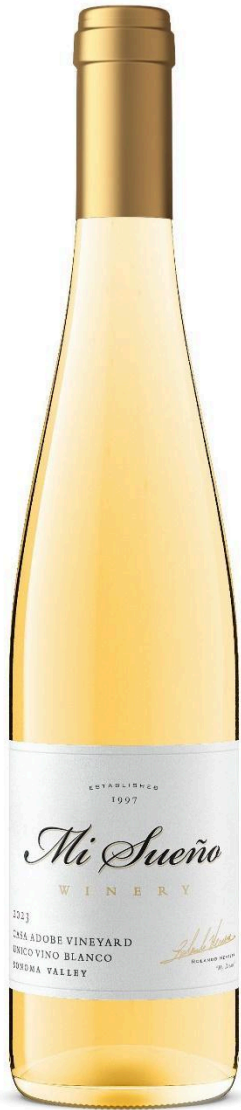

Each varietal was processed individually to express the true essence and purity that represents the Terroir. The wine was aged almost equally in a combination of neutral French oak with stainless steel and concrete tanks.

### IN YOUR GLASS

The wine presents a noble golden color with an aroma, swiftly escaping the glass and revealing enticing notes of fresh guava, pear, quince and wildflowers. The flavors expand even further – lemon grass, orange peel, tangerine complemented with toffee and vanilla notes. On the palate, this blend continues to impress with luscious and crisp minerality and mouthwatering flavors - lemon curd, candied citrus and apricot appear, as the taste evolves into a multilayered, long finish.

### ON YOUR TABLE

Try Unico Vino Blanco with Oyster Rockefeller, assorted sashimi platter or Peach burrata and arugula salad.

**Vineyard** Casa Adobe

**Oak** 40% Neutral oak, 30% Concrete egg, 30% SS tanks
